University Office, Waltair,
20th January 1941.

Instructions to candidates appearing for the examinations to be held in 1942.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least *five minutes* before the time fixed for distributing the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers. They should also fill in the subject and the year on the outer cover of the answer book.

4. Candidates are not allowed to exceed the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates* are *forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.*

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, card-board, manuscript, or paper of any description and from making use of any of those whether introduced into the room by themselves or by any one else, from communicating with or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry, Chemical Technology and Geography of the Intermediate, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.Sc. and Pre-Registration (Medicine) examinations and to the candidates answering the Arithmetic and Algebra paper of the Matriculation examination. *Candidates who do not bring into the examination hall their own copies*

9. Candidates for examination in Science subjects shall submit their laboratory note books to the examiners concerned on the first day of the practical examination. Each of the candidates taking Botany as the main subject for B.Sc. Degree Examination must submit at the practical examination his laboratory note book, a collection of the mount plants collected and preserved by himself and a record of the field work. *The candidates should get back the laboratory note-books at the close of the examination.*

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, *use only* black ink while answering their question papers.

11. Particular attention is requested to the instructions regarding rough working and loom sheets of paper printed on the answer books. All rough working must be shown on the left hand page of the answer books themselves against the respective answer. *The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer.* No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendent of the respective centre for their hall tickets three days before the commencement of the respective examinations. *Any parenthesis noted in the hall ticket differing from those given in the application for the examination should be immediately reported to the Chief Superintendent by the concerned candidate.*

It will not be permissible for candidates to sit for the examination at a centre other than that at which their names are registered without the special permission of the University. No permission for change of centre will be granted after the applications are registered.

14. *Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificate produced by them before the Chief Superintendents of the respective centres. The officer from whom the identification certificate is produced shall however be the Principal of a college or a Government officer of rank not less than that of a Sub-Magistrate, provided, however, that in the case of a candidate for the Matriculation Examination, an identification certificate from the Headmaster of a recognised high school will suffice.*

War risk insurance.

Fort St. George, January 12, 1942.

The following Press Note of the Government of India is republished :—

COMMERCE DEPARTMENT.

New Delhi, the 2nd January 1942.

In a recent amendment to the War Risks (Goods) Insurance Ordinance, 1940, the special definition of goods situated in British India, originally contained in the Ordinance, has been deleted. The effect of this is to render insurable goods as between ports or maritime territorial waters, which were previously not insurable under the War Risks (Goods) Insurance Scheme. The Government of India propose, however, to exempt from compulsory insurance any goods forming the import or export cargoes of ships which are already covered by marine war risks insurance policies.

Insurance under the original Ordinance could only be effected by the owner of the goods in question. The Ordinance has now been amended so as to allow persons in certain circumstances, to insure goods in which they have an interest not amounting to ownership.

Under Secretary to Government.

In the case of a duly recognized company or firm an agent duly authorized by a power-of-attorney, or any of the bearers empowered by the articles of association or similar rules, may bid for and act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale on presentation of the chalan at the Taluk office.

Note.—In Madras City the deposit must be paid into the Taluk treasury and the chalan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the chalan at the Taluk office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence as of a contract under the Abkari Act or Opium Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (either local or foreign) holding for any shop in which beer is sold for consumption on the premises; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop will not be published but the average monthly rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops will be put up to auction in the order in which they are noticed unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop he may at his discretion accept the next highest bid. If the selling officer does not accept any bid, either he may bring the shop to auction again immediately or it may be left over for sale at a subsequent date. In case of dispute the selling officer's decision will be final.

VI. (a) Every person whose bid is provisionally accepted shall,—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposit made under clause I, half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale, deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such purchaser can be trusted to pay his rent punctually and fully, he shall require him, in addition to making the deposit required under clause (a) (iii) supra, to select one of the following three courses and follow it within the time specified by the Tahsildar, *i.e.*, either

(i) to deposit two months' rent of all shops knocked down to him; or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser; or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by the purchaser under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof by the surety or sureties or by the purchaser.

If the Tahsildar is not satisfied that the value of the immovable property tendered as security by the purchaser under sub-clause (ii) supra is adequate, he shall require him to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and a mortgage deed of his or their property in favour of the Government.

The sureties referred to in this clause, (b) shall submit to the Tahsildar a statement in the prescribed form annexed to the notification showing details of their immovable property.

The purchaser shall be bound to carry out the provisions of this clause (b) within ten days from the date of communication to him of the Tahsildar's orders requiring him to do so.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall be bound to execute a counterpart agreement. The purchaser or his surety must produce at his cost an encumbrance certificate in cases in which immovable property is mortgaged to the Government.

(c) If the initial deposit exceeds two months' rentals, the excess will not be refunded till the termination of the lease.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will announce, subject to the approval of the Collector, the date, time and place at which any shops unsold will again be put up to auction and the officer who will conduct such auctions. The conditions of sale will remain unaltered unless otherwise specified. When the list of shops so to be brought to auction again has been drawn up a copy of it will be sent to any bidder who gives his name and address to the Tahsildar and will be posted up at the Taluk office.

IX. (a) The order of the Collector confirming a bid provisionally accepted by the selling officer shall be final unless it is revised by the Board of Revenue for special reasons.

(b) If the Collector considers such bid to be inadequate, he may postpone passing orders or decline or refusing to confirm the provisional acceptance of the bid, and immediately direct that the sale shall be continued from the point at which it was last left, on such date and at such time and place as may be fixed by him. The conditions of sale will remain unaltered unless otherwise directed by the Collector.

Any order passed by the Collector under this clause shall be given adequate publicity and shall also be notified at the Taluk office.

(c) Any sale ordered to be continued under clause (b) shall begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered it. If at such sale a higher bid is offered and is provisionally accepted by the selling officer, the bid with which such sale began shall lapse. But if no higher bid is accepted by the selling officer the matter shall be reported to the Collector who may pass orders confirming the bid provisionally accepted at the original sale or may again direct that the sale be continued from the point at which it was left at the original sale, and the order of the Collector shall be final unless it is revised by the Board of Revenue for special reasons.

(d) The provisions of clause (a) above shall apply to any sale the continuance of which is directed under that clause.

(e) No bid which has been provisionally accepted by the selling officer shall be withdrawn before it lapses under clause (c) or before orders are passed confirming or refusing to confirm it, and if the bidder commits any breach of this condition, he shall be liable to make good the difference between his bid and any lower bid which may be finally accepted.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI, the shop may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under the condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to the Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under conditions VI (a) (ii) and (b) (i) may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass-books of deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they

shall be of such higher face value than the cash deposit required as in the circumstances of the market in any classic may carry. Where the deposits under this condition are authorised by the Collector's orders, to accept the deposits made in cash under condition I and VI (a) (i) which have not been refunded as well as deposits made under condition VI (a) (iii) and I (b) (i) the deposits made in cash may be returned to the depositors. Dealers who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in such may make a formal requisition to the Treasury Officer or Sub-Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (iii) and (b) (i) to the Govt. deposits in the Central Bank, in the name of the Tahsildar. The Treasury Officer or Sub-Treasury Officer as the case may be will send over these requisitions to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the receipt to the representative of the Bank duly authorised to receive it or will remit it by postal money order or a current cheque to the Bank. When the amount has to be sent by postal money order or insurance cover the receipt will be required in respect to the Treasury or Sub Treasury, with the requisition to transfer the deposit, or a court which shall, in the opinion of the Treasury Officer or Sub Treasury Officer, as the case may be, be such sent to cover the cost of forwarding the amount of the deposit to the Bank; any balance not required for this purpose will be credited towards any cost due from the depositor. The securities or savings bank pass-books deposited in act 3a enclosed in the name of the Collector and Government promissory notes must be endorsed for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk. The contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the security and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that the Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to the Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 17 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

No raw opium other than that obtained in the manner specified above shall be sold or received or possessed by the licensee. During the closing month of the lease (March), the licensee shall not apply for more raw opium than is necessary to meet legitimate requirements of the remaining days of the lease. 10. If the licensee is used as a cloak for illicit sales or if the licensee knowingly sells opium to an opium smuggler or if the Collector has reason to suspect that the licensee is guilty of any of these offences, he may, after recording his reasons, forthwith cancel the licence and resell or otherwise dispose of the privilege at the risk of the licensee. THE STATISTICAL SUPPLEMENT

TO

THE FORT ST. GEORGE GAZETTE

No. 3-C] MADRAS, TUESDAY EVENING, JANUARY 20, 1942

REPORTS ON CROPS.

Statistics—Pepper—1941—Final Report.

The area under pepper in 1941 in Malabar and South Kanara is estimated at 103,600 acres (97,000 acres in Malabar and 6,600 acres in South Kanara) as against the final area of 104,112 acres (95,371 acres in Malabar and 8,741 acres in South Kanara) in the previous year.

2 In Malabar the crop is reported to have been affected to some extent by the heavy rains and cyclone in May-June and by the heavy rains in November. The seasonal factor is estimated at 95 per cent of the normal in Malabar and 100 per cent in South Kanara as against 100 per cent in both the districts in the previous year. On this basis, the yield is estimated at 9,680 tons (9,650 tons in Malabar and 330 tons in South Kanara) as against 9,990 tons (9,140 tons in Malabar and 850 tons in South Kanara) estimated in the previous year.

3. The wholesale price of pepper per imperial maund of 82 2/7 lb. (equivalent to 3,200 tolas) as reported from important markets on 5th January 1942 was Rs. 10-12-0 in Calicut, Rs. 10-2-0 in Tellicherry and Rs. 13-7-0 in Mangalore. When compared with the prices published in the last report, i.e., those which prevailed on 8th September 1941, these prices reveal a fall of approximately 31 per cent in Calicut and Tellicherry and a rise of approximately 11 per cent in Mangalore.

Statistics—Crop—Groundnut—1941—Fourth or final report.

The average of the areas under groundnut in the Madras Province during the five years ending 1939–1940 has represented 4·2 per cent of the total area under groundnut in India.

2. The area sown with groundnut in the Province in 1941 is estimated at 2,702,900 acres. When compared with the corresponding estimate of 3,820,000 acres for the previous year and the actual area of 3,922,497 acres according to the Season and Crop Report of the previous year, the present estimate reveals a decrease of 27·7 per cent and 29·6 per cent respectively. The estimated area for the year is less than the average area of 3,422,216 acres by 19·3 per cent.

3. The decrease in area is general outside Malabar and is due partly to the propaganda for the restriction of groundnut cultivation and partly to the receipt of insufficient rains at the time of sowing. The decrease in area is marked in Vizagapatam (—57,800 acres), Guntur (—121,100 acres), Kurnool (—201,700 acres), Bellary (—155,800 acres), Anantapur (—100,800 acres), Cuddapah (—50,500 acres), South Arcot (—99,900 acres), North Arcot (—58,500 acres) and Salem (—52,000 acres). The area in Guntur and the Ceded districts fell from 1,765,885 acres in 1940–41 to 1,105,000 acres in the current year, i.e., by 37·4 per cent. The area estimated now in Guntur, Kurnool, South Arcot and Tanjore is the lowest reported in recent years.

4. The harvesting of the summer and early crop of groundnut had concluded by the end of October. The harvesting of the winter or main crop is proceeding.

The crop was affected to some extent by insufficient rains in all districts except Nellore, Salem and Tinnevelly, by heavy rains in Tanjore and by insect pests in parts of South Arcot and Madura. The yield per acre is expected to be above normal in Salem, normal in Nellore and Tinnevelly and below normal in other districts. The yield per acre is estimated to be low in East Godavari (60 per cent), West Godavari, Kurnool and Malabar (71 per cent in each), Tanjore (73 per cent) and South Arcot (76 per cent). The seasonal factor for the Province as a whole works out to 86 per cent of the average as against 95 per cent in the previous year according to the Season and Crop Report. On this basis, the yield is expected to be 1,185,900 tons of unshelled nuts as against 1,324,019 tons in the previous year, a decrease of 28·4 per cent. The yield in an average year is estimated at 1,710,550 acres.

5 The wholesale price of groundnut (shelled) per imperial maund of 82 2/7 lb. (equivalent to 3,200 tolas) as reported from important market centres on 5th January 1942 was Rs. 5-0-0 in Vizagapatam, Rs. 4-12-0 in Vizianagram, Rs. 4-10-0 in Guntur, Bellary Tadpatri and Cuddalore, Rs. 4-9-0 in Coimbatore, Rs. 4-8-0 in Vellore, Rs. 4-7-0 in Cuddapah, Rs. 4-5-0 in Adoni, Rs. 4-4-0 in Hindupur and Rs. 4-0-0 in Salem. When compared with the prices published in the last report, i.e., those which prevailed on 3rd November 1941, these prices reveal a rise of approximately 10 per cent in Bellary, 14 per cent in Coimbatore, 13 per cent in Hindupur, 12 per cent in Tadpatri, 11 per cent in Adoni, 9 per cent in Cuddapah, 6 per cent in Vizianagram, 4 per cent in Vizagapatam and Vellore and 1 per cent in Cuddalore, the prices remaining stationary in Guntur and Salem.

Madras, 13th January 1942.

Statistics—Crop—Gingelly—1941-42—Third Report.

The average of the areas under gingelly in the Madras Province during the five years ending 1939-40 has represented 18·8 per cent of the total area under gingelly in India.

2. The area sown with gingelly up to 28th December 1941 is estimated at 538,400 acres. When compared with the area of 558,300 acres estimated for the corresponding period of last year, it reveals a decrease of 4·6 per cent.

3. The estimated area is the same as that of last year in Ganjam, Kurnool and Cuddapah. An increase in area is estimated in Vizagapatam (plus 20,000 acres), East Godavari, West Godavari (plus 47,000 acres), Kistna, Nellore, Trichinopoly (plus 15,000 acres), Madura, Malabar and South Kanara and a decrease in area in the other districts of the Province, especially in South Arcot (—10,000 acres), North Arcot (—28,500 acres) and Salem (—20,000 acres) owing to insufficient rainfall during the sowing period.

4. The main crop has been harvested except in the South. The yield per acre is estimated to be normal in Ganjam, Cuddapah, Salem, Coimbatore and South Kanara and below normal in the other districts, especially in East Godavari and Kistna (70 per cent in each), North Arcot (75 per cent) and Kurnool (71 per cent).

5. The seasonal factor for the Province as a whole worns out to 92 per cent of the average as against 94 per cent for the corresponding period of last year. On this basis, the yield is estimated at 67,400 tons as against 70,700 tons for the corresponding period of last year, a decrease of 4·7 per cent.

6. The wholesale price of gingelly per imperial maund of 82·2/7 lb. (equivalent to 3,200 tolas) as reported from important markets on 5th January 1942 was Rs. 7-4 in Tinnevelly and Tuticorin, Rs. 7-3 in Cuddalore, Rs. 7-2 in Cocanada, Rs. 6-14 in Trichinopoly, Rs. 6-8 in Rajahmundry, Rs. 6-8 in Salem, Rs. 6-3 in Ellore, Rs. 6 in Vizagapatam and Rs. 5-14 in Vizianagram. When compared with the price published in the last report, i.e., those which prevailed on 3rd November 1941 these prices reveal a rise of approximately 14 per cent in Tuticorin and four per cent in Rajahmundry and a fall of approximately 6½ per cent in Salem, three per cent in Tinnevelly, two per cent in Cocanada and one per cent in Trichinopoly, the prices remaining stationary in Vizagapatam, Vizianagram, Ellore and Cuddalore.

7. Figures by districts are given below:—

Madras, 10th January 1942.

Statistics—Ginger—1941—Final Report.

The area under ginger in 1941 is estimated at 11,900 acres in Malabar and at 600 acres in South Kanara as against the actual area of 11,541 acres in Malabar and 655 acres in South Kanara in the previous year.

2. The condition of the crop is satisfactory and the seasonal factor is estimated to be normal in both the districts as against 95 per cent in Malabar and 100 per cent in South Kanara in the previous year. On this basis, the yield is estimated at 4,350 tons of dry ginger (4,150 tons in Malabar and 200 tons in South Kanara) as against 4,360 tons in the previous year (4,075 tons in Malabar and 290 tons in South Kanara).

Statistics—Cotton—1941-42—Intermediate Report.

Pickings of the mungari or early sown crop in parts of the Deccan are in progress and the yield is expected to be below normal due to insufficiency of rains. The inam crop is affected by insufficient rainfall to some extent in parts of the districts of Vizagapatam, Kistna and Bellary. The condition of the crop is generally satisfactory in the other districts of the Province.

2 The average wholesale price of cotton (net) per imperial maund of 82·2/7 lb. (equivalent to 3,200 tolas) as reported from important markets on 5th January 1942 was Rs. 10-7-0 for Coconadas, Rs. 8-0-0 for Westerns (mungari), Rs. 20-7-0 for Westerns (bengari), Rs. 11-5-0 for Coimbatore Cambodia, Rs. 38-12-0 for Coimbatore-Karungunni and Rs. 24-6-0 for Nadam cotton. When compared with the prices published in the last report, i.e., those which prevailed on 5th December 1941, these prices reveal a fall of 7 per cent in the case of Coimbatore, Cambodia and Karungunni 5 per cent in the case of Coconadas and 3 per cent in the case of Nadam cotton, the prices remaining stationary in the case of Westerns (mungari and bengari)

Statistics—Paddy—1941-42—Intermediate Report.

The rain crop of paddy has been or is being harvested in parts of the Circars, the Deccan, the Central districts and Tanjore. The yield per acre is reported to be normal in Guntur, Bellary, Anantapur and Salem and below normal in the other districts.

2. The crop has been affected to some extent by insufficient rainfall in parts of Vizagapatam, East Godavari, Kistna, North Arcot, Nellore and Tinnevelly by cyclone in South Arcot and by attacks of insect pests in parts of Anantapur, Coimbatore and Malabar. The condition of the crop is generally satisfactory in the other districts of the Province.

3. The wholesale price of paddy, second sort, per imperial maund of 82·2/7 lb. (equivalent to 3,200 tolas) as reported from important markets on 5th January 1942 was Rs. 4-3-0 in Vellore, Rs. 4-13-0 in Rajahmundry, Rs. 3-12-0 in Chittoor, Rs. 3-10-0 in Vizagapatam, Ellore and Tinnevelly, Rs. 3-8-0 in Cocanada, Bezwada, Anantapur, Trichinopoly and Madura, Rs. 3-7-0 in Masulipatam, Guntur and Virudhunagar, Rs. 3-5-0 in Kumbakonam and Bangalore, Rs. 3-2-0 in Tuddalore, Rs. 3 in Hindupur and Negapatam and Rs. 2-8-0 in Conjeeveram. When compared with the prices published in the last report, i.e., those which prevailed on 5th December 1941, these prices reveal a fall of approximately 25 per cent in Conjeeveram, 11 per cent in Hindupur, 13 per cent in Madura, 11 per cent in Masulipatam, 10 per cent in Guntur, 8 per cent in Bezwada and Chittoor, 7 per cent in Anantapur, 6 per cent in Virudhunagar, 4 per cent in Cocanada and Negapatam and 3 per cent in Ellore and a rise of approximately six per cent in Tuddalore, 4 per cent in Kumbakonam and 2 per cent in Rajahmundry, the prices remaining stationary in Vizianagram, Vellore, Trichinopoly and Tinnevelly.

Reciprocity Bill—Circulated for eliciting opinion 11

The following Bill of the Central Legislative Assembly has been circulated for the purpose of eliciting opinion. Any person or public body desiring to submit an opinion on the Bill should do so through the Provincial Government only and any opinion thereon which is submitted direct to the Central Legislative Assembly Department or to any other Department of the Government of India will not be accepted.

[As introduced in the Legislative Assembly.]

A Bill to make provisions in regard to entry, residence, the acquisition, holding or disposal of property, franchise, the holding of public office, or the carrying on of any occupation, trade, business or profession in British India by persons domiciled in the British Possessions on a basis of reciprocity.

Preamble.

WHEREAS it is expedient to make provisions in regard to entry, residence, the acquisition, holding or disposal of property, franchise, the holding of public office, or the carrying on of any occupation, trade, business or profession in British India by persons domiciled in the British Possessions on a basis of reciprocity, it is hereby enacted as follows:—

Short title, extent and commencement.

1. (1) This Act may be called the Reciprocity Act, 194 .

(2) It shall extend to the whole of British India.

(3) It shall come into force on such date as the Governor-General in Council may notify in the *Gazette of India*.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context—

(a) "British Possession" means any part of His Majesty's Dominions other than British India and the United Kingdom and includes Protectorates and territories which are administered by a Dominion as a mandatory on behalf of the League of Nations; and

(b) "entry" includes landing at any port in British India during the period of the ship's stay on her way to a destination outside British India.

Reciprocity of rights.

3. Persons, not being of Indian origin, domiciled in any British Possession will be entitled to only such rights and privileges as regards entry, residence, the acquisition, holding or disposal of property, franchise, the holding of public office or the carrying on of any occupation, trade, business or profession in British India as are accorded by the law and administration of such Possession to persons of Indian domicile.

Burden of proof in person claiming exemption.

4. If any person alleged to be domiciled in any British Possession and to be subject to the provisions of this Act pleads that he is not so domiciled, or that the provisions of this Act do not apply to him, the onus of proving the truth of such a plea shall be on him.

Power to make rules.

5. (1) The Governor-General in Council shall make rules for carrying out the purposes of this Act.

(2) All rules shall be notified in the *Gazette of India* and shall thereupon have the effect of law.

STATEMENT OF OBJECTS AND REASONS

The treatment meted out to Indians overseas and their disabilities have been matters of deep and ever growing concern to the Indians since a very long time. Indians have frequently given expression to their indignation from public platforms and on the floor of the Assembly whenever occasions arose for these. The latest I wish to refer to is the Asiatic (Transvaal) Land and Trading Act of 1939 passed by the Union Government of South Africa imposing restrictions which are unbearable and strangulate trade and other legitimate activities of Indians. The actions of the Ministers of the Government of Ceylon as well as Burma prejudicial to the interests of Indians are too fresh to need any comment. They are following the examples of South Africa and Kenya who feel encouraged because His Majesty's Government either does not wish to interfere or is impotent to interfere in spite of our strong protests against discriminating legislation. As negotiations have frequently failed to achieve any satisfactory settlement with some of the recalcitrant British Possessions nothing remains but to put into effect the principles of reciprocity which is the object of this Bill. The Bill if passed into law will provide a sanction—though not as effective as the economic—to the Government of India whenever negotiations with an offending country in the British Empire fail. The permanent solution of our troubles can only be achieved when India enjoys the same freedom as South Africa or Great Britain.

GOVIND V. DESHMUKH.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.
